## Graduation, 1971

**CONGRATULATIONS '71** - Principal Frank P. Gifune, Jr. leads line of friends and guests of the class of '71 as the graduates receive good wishes and congratulations following the graduation exercises.

### OLD ROCHESTER GRADUATES CLASS OF '71

A rare, this season, sunshine-brightened Sunday provided a beautiful setting for the outdoor exercises for the 1971 graduating class at Old Rochester Regional High School. A capacity turnout of family, friends and guests was present. The graduates were attired in caps and gowns of the O.R. red and white colors. The girls wore white and the boys red.

The ORRHS band, under the direction of Gary Thomas, played "Pomp and Circumstance" as the class marched on to the athletic field. The invocation was by the Rev. David H. Graham. Dr. Joseph C. Kunces, Superintendent of Schools, welcomed the guests and spoke to the graduates. He concluded his remarks with the reading of three resolutions honoring retiring teachers. Those from the Mattapoisett School Committee were addressed to Genevieve S. Waterhouse, who is retiring from Center School; and M. Ruth Schofield, retiring from Center and Old Hammondtown Schools.

Marjorie Root, retiring from the Old Rochester School, was honored in a resolution by the O. R. School Committee.

Christian Saether, class president, introduced the speaker, Marjorie A. Burnett. He said that Miss Burnett had been elected by the honor students of the class to give the address for the class of '71. Miss Burnett's theme was the transition of the student from the sheltered environs of the home and traditional school. She spoke of their coming search of individuality in a complex society which, in itself, limits that individuality.

Mr. Frank P. Gifune, Jr., principal, announced the names of those winning prizes and scholarships.

Those maintaining the highest averages in the class are as follows: Sharon Duarte, business; Janet Dorr, English; Melynda Towsley, French; Lesley Tuttle, home economics. In the Industrial Arts Department, high averages were: James Costa, metals; Robert Noyer, Jr., power mechanics; David Butts, woodworking; Joan Sundblad, mechanical drawing. Highest average in Latin went to Janet Dorr; math, Christian Saether; music, Christian Saether; (special mention was made of Susan Whalen's extensive musical participation in major orchestras.) Physical education, Cornelia Dougall and William Knapton; science, Christian Saether; social studies, Marjorie Burnett. The principal's award for maintaining the highest academic average over 4 years was won by Linda Delano.

Scholarships were awarded to: Barbara Archer, Linda Delano, Cornelia Dougall, Christine Gaumont, Donna Gibbs, Jeffrey Gingrass, Steven Gomez, Vinod Ishrishi, William Knapton, Karen Morrison, Kathleen Perrault, Linda Perry, Elizabeth Simon, Joan Sundblad and Florence Taylor.

The Old Rochester Teachers' Club joins other teachers' associations in Massachusetts in supporting higher education for deserving students. This year alone, state teachers' associations will donate more than \$128,000 in scholarships to high school graduates.

## Letter to The Editor

On June 14th there will be a public hearing in Rochester to discuss the pros and cons of having a drag strip race track in the property now known as Haskell's Swamp.

If this racetrack is completed, there will be approximately 36 to 38 meets held between April and November with the majority being during the summer months. They would be scheduled for two nights a week and Sunday, drawing about 3500 cars for each meet.

The area that would be used is part of the largest undeveloped natural wildlife space in Southeastern Massachusetts. Once it is filled, developed, polluted or ruined, it can never, repeat - NEVER - be replaced.

The main argument for this development is the tax money it would give to the town. It is estimated that the drag strip would be valued at approximately \$300,000 when completed. This would save the Rochester taxpayer only about \$2-\$3 on the current tax rate. Is this enough money to compensate for all the problems and hardships that would be created and all that would be lost?

Please consider the problems:

What effect will this have on the area's water table?

How detrimental would the sewerage, spilled gas and oil be on the surrounding swamp and water running out of the swamp? Would the Dexter Mill Brook (running into

One ecological effect would be the inability of deer, ducks, and other wildlife to propagate with the increased noise nearby.

Consider also the additional air pollution, noise pollution, and possible traffic hazards that would be created.

What will an extra 3500 cars, three times a week, do to Rochester's roads? Would our 2 lane roads have to be widened or straightened to accommodate these added cars each week? If not, wouldn't there be a potential hazard to local traffic, bicyclists, horsemen and children? Would extra taxes be needed to maintain the roads and monitor the traffic?

Property values of one of the nicer residential areas in the town would also almost certainly be affected.

We are well aware that Rochester is in

## Art Center Awards

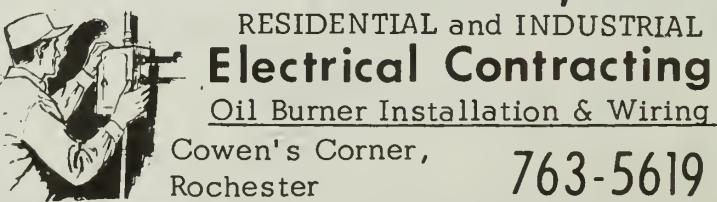

### ART CONTEST AWARDS MADE

High School Student Art Contest, sponsored annually by the Marion Art Center, has been won by David Woo of Fairhaven, a senior student at Tabor Academy in Marion. The \$25.00 prize was awarded to David and honorable mention was given to George Persons of Bourne High School and to Kathy Jarvis, also a student at Bourne.

Best representation was from Bourne High School, and therefore, Bourne High School by receiving two honorable mentions was awarded the special school prize. Eligible for the school prize were all high schools between the Fairhaven bridge and the Cape Cod Canal.

Among the judges were Mr. Joseph J. Orze, Dean of College of Fine and Applied Arts at SMU; Mrs. Ronald Bilodeau of Mattapoisett who attended the University of Florida and studied under Richard Merrick at the University of Miami where she received her B.A. in Fine Arts, and Mrs. Eliot S. Knowles of South Dartmouth, a graduate of Wellesley who also studied at the Museum School in Boston and at Harvard.

## Memorial Day Race

### TIARA & BLUE CHIP IN VICTORY

The popular Memorial Day Race for sail-boats held here Saturday, May 29th, opened the local racing season. It was the sixth annual contest, co-sponsored by the Mattapoisett Yacht Club and the Mattapoisett Boatyard. The Boatyard provided the trophies. The winner in the Handicap division was

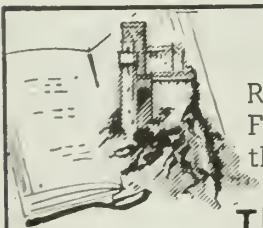

Ed Ruel in Tiara (on both elapsed and corrected time). Norm Shachoy's Blue Chip was the victor for the Corinthians.

A total of 13 boats answered the starting gun under ideal sailing conditions. Sunny skies, mild temperatures and a steady 15-mile south wind prevailed throughout the afternoon.

The Handicap fleet sailed a 15.6 mile course from Ned's Point to Nye's Ledge Black Bell 9A, to Bow Bells Black Can 11, to Black and Red Nun three miles northwest of Quisset Harbors and to finish.

John Malcolm, skippering Witch of Agnesi, made a perfect start, followed closely by Ed Ruel's Tiara. Then Tiara, beginning to gain mark by mark over the other six contestants, came in with a 1:36 win (corrected time) over Logan Doane in Yankee Too. Con Betts' Mr. Bajel was third (corrected time).

The outcome of the 7:07 mile Corinthian race to Angelica Point Red Nun 2 and to Nye's Ledge Black Bell 9A, twice around, turned out to be rather an upset. Tom Clark in Instead was in the lead throughout, outdueling Norm Shachoy by two minutes at the finish, with Art McLean's Escape third. But due to a navigational error (rounding both markers incorrectly) four of the five Corinthians were disqualified. Norm Shachoy in Blue Chip, who had followed the course in the proper manner, was designated the winner.

## Mattapoisett Yacht Club

### MYC OFFICIALLY OPENS RACING SEASON

As Mattapoisett Yacht Club officially opened its racing season June 5th with the scheduled first race in the Saturday Senior Races (June series), Art Blackburn, skippering Lorelei, topped the Corinthians, competing with Bill MacLean's Escape and Norm Shachoy's Blue Chip, coming in a minute apart to place second and third.

Brisk 15-25 mile southwest winds sped the fleet on their way, with seas choppy. Visibility was excellent.

Starting at Ned's Point, the course took them to Angelica Point Red Nun 2, to Nye's Ledge Black Bell 9a, to Mattapoisett Ledge Black Can 1, back to Angelica Point Red Nun 2 and Nye's Ledge Black Bell 9A, and to finish at Ned's Point.

Billy Mee in Irish Eyes led at the start, but was quickly challenged by Bill MacLean

and Norm Shachoy. MacLean's Escape was the first to round the Angelica Point marker, but on the second leg (the upwind leg) Art Blackburn in Lorelei edged out front. His strategy of taking a port tack back into the harbor paid off, for he built up a lead which Escape could only narrow but not close.

Linhares scored a big win last Sunday in the Capeway Softball loop with an exciting 4-2 win over pacesetting Capeway Cafe. Steve Kelly's triple was the key blow as Linhaires' broke open a scoreless game with three runs in the 6th and then added an insurance run in the 7th. Capeway rallied in the last of the 7th for a pair but it was too little, too late. In the second game of the Center School doubleheader, Fish on the Wharf took the measure of the Mattapoisett Merchants 6 to 1. The Fishermen bunched their tallies in the 4th, 5th and 6th innings enroute to the team's 3rd win of the season. In last Wednesday night's action, Capeway edged the Fishermen 3-2

## Support the P.T.A.

### "SILENT CAKE SALE"

In order to raise funds for the Mattapoisett P.T.A. activities there will be a "silent cake sale" on Thursday, June 10th, at 8:30 A.M.

It was agreed that it would be more convenient for the parents to give a contribution rather than having an actual cake sale during this busy season.

Mrs. Polly Mort will be collecting donations at the Center School and Mrs. Barbara Sawyer at Old Hammondtown School.

Anyone wishing to contribute should have their children bring their donations to school on the morning of June 10th.

Thank you for your support.

## SUMMER SCHOOL IN OLD ROCHESTER DISTRICT

Summer school will again be in session in the Old Rochester Regional School District. Registrations will be received through June 25th at the office of the Superintendent of Schools, 34 Barstow Street, Mattapoisett. Enrollments will be made in the order in which the registration blanks are received. Application forms may be obtained at any of the
